

ORDER FORM -- H.O.P.E. -- Buy-A-Brick

Our beautiful brick pavers are an important contribution because they are a small monument of memorabilia left for future generations to come.

For your convenience, bricks may also be ordered online -- visit www.hopelifeline.org/buyabrick. Your inscription must fit into the boxes below. Each box represents a letter, number, space or punctuation. Please do not use special characters. All text will automatically be centered, so you do not need to center it on the order form. Use additional order forms to purchase more than one brick of the same size.
