THE DAVE SIMERLY GOLF OUTING

This event is held to honor and remember David V. Simerly.

Dave was a great friend and a dear member of the Wolfgang Family.

We lost Dave in June of 2023 after a long, courageous battle with

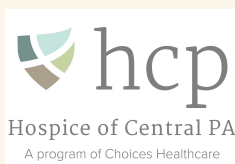

cancer. Dave's quick smile, smart sense of humor, incredible work ethic and his generosity and willingness to help, support and love his friends and family were the center of his life. Dave is greatly missed, but his memory always make us smile.
